### Kalinga Safety Excellence Award - 2023

18<sup>th</sup> & 19<sup>th</sup> December 2024

Venue: Hotel The New Marrion, Bhubaneswar

## About the Program:

The NSC previously known as 'Odisha State Safety Conclave' was instituted in year 2010 under the aegis of IQEMS. The focus and purpose of it is to sensitize all stake holders on the prime importance of workmen safety & work place safety at all time in all sectors, whether organised or unorganised. Efforts are being made to assemble an appropriate exhibition to display innovative products and services which will help creative minds to do some divergent thinking. Our aim is to provide a platform to raise awareness, deliberate and share knowledge, experiences and best practices on issues related to Safety and Health in Industries, Mining, Construction and other sectors.

## Objectives:

- To share the latest developments and information on industrial safety, while offering ideas for general improvements in Safety in core sectors.
- To strengthen the Safety Management System thereby supporting the core sector in its efforts to provide safe working environment.
- To highlight significant developments in the field of Science and Technology with emphasis on safety innovation and application of Digital Technology.
- To prevent workplace injuries, illnesses and deaths, as well as the suffering and financial hardship these events can cause for workers, their families, and employers.
- To keep in tune with the most current developments and focus areas of Industrial Safety on a global basis following Vision Zero harm.

### About the Award:

The award is in recognition of the success by an industry for achieving excellence in the field of OSH/SHE. An industry competing and applying for the award is evaluated with the help of experts in the field.

A 'proforma' for evaluation is annexed to the main application form. Each industry applying for the award would be immensely benefited by the exercise itself when it would undertake to fill in the format and meet the requirements for evaluation irrespective of whether it wins an award in a particular year or not. All organizations joining this award-winning exercise would also have the advantage of gaining some valuable insight into their own management, evaluation and monitoring operations from the assessment which would be made by expert panel of judges at virtually no cost.

### Speakers:

Eminent and distinguished professionals as well as notable academicians of National / International repute from both private & Government sectors and Industries will address on various Subject themes of the Conclave. The Conclave would be providing an interactive environment for useful & valuable discussions.
